

About

Father Carr's Place 2B

Father Carr's Place 2B is many things. It's a free clinic, retreat center, chapel and food bank. It's also a positive home with three hot meals a day for men, women and children who seek safe and temporary residence. Maybe most importantly, Father Carr's Place 2B is a life enrichment center. Mother Teresa once said the worst poverty in America is loneliness. Since its founding by Father Martin Patrick Carr, this unique nonprofit has helped thousands of individuals and families find independence and purpose in life through mentorship, community support and fellowship. In fact, Father Carr's Place 2B relies solely on private donations with no government support and is run primarily by volunteers. Truly, Father Carr's Place 2B is for the community, run by the community.
