# Father Carr's Place 2B

“Celebrating 40 years of  
serving those in need”

## Letter from the President

*Father Carr's Place 2B Celebrates 40 years*

Forty years ago the birth of Father Carr's Place 2B took place in the lower level of St. Peter's Catholic Church in Oshkosh. It was known as the Place 2B Youth Center. Father Carr reached out to teens and let them know their life was valuable and that they were loved. His mission was to provide healthy and fun activities as an alternative to drugs and alcohol. Father Carr's mission expanded to sheltering the homeless, feeding the hungry, protecting the abused and healing the sick.

As we begin our 41st year we are so excited to continue the mission of Father Carr's Place 2B. Seven years after Father's death an increasing number of people are given assistance each day. Our food bank provides groceries and bread to hundreds each week. Our shelters give a safe place for men, women and children. Our clinic provides free medical services for anyone that enters. During the holidays we provide a feast for all who ask. Father Dave offers mass, counseling and reconciliation. Most of all, our volunteers provide hope.

We ask for your prayers and support as we spend the next 40 years serving others. Father Carr would be so proud to witness the love and caring shared every day. Our mission will continue, and just as Father Carr would love, we will expand our reach. We look forward to the return of more fun family healthy activities to all in the community. Please join us for future events at the Mother Teresa Center including Packer parties, movies, concerts and much more. The Mother Teresa building is a family center and we welcome you at any time to our home. God Bless you and thank you for helping us help others.

# Make a Rosary and Share Your Faith

*A Message from Father Dave*

Many Saints have professed that when you seek the heart of Our Blessed Mother you will be led to the heart of Her Son, Jesus. There is no more popular devotion than that of the Most Holy Rosary.

We offer a class on making your own knotted cord rosary to have as your own valued treasure or to offer others as a way of sharing your faith. The materials are simple and available locally. We provide the material to make your first rosary. From your acquired skills you can obtain your own materials and make them for your family and friends or we will provide the materials for you to make them for the ministry of Father Carr's Place 2B. Either way, the faith we love and cherish can be shared with others.

## Won't you join us?

The rosary making group gathers the 2nd and 4th Fridays of each month after the 6:30 p.m. Mass (approximately 7:15 and lasts till 9 p.m.). The 2nd Friday is for instructions on making a cord rosary and the 4th Friday is a workshop with prayer and teaching on different Marian aspects of our faith. The heavier cord is most suitable for teenagers on up but all are invited to gather as a community of family and faith.

*To teach, to learn, to grow in our faith as we serve Christ by caring for others.*

Mary, Mother of God, pray for us.

**Father Dave**
